2 (*a*). The unloading and carting should be attended to immediately after the materials arrive allowing no room for demurrage and breakage. Losses in consequence of any delay in executing the order will have to be made good by the contractor.

3. Each tender must be accompanied by a deposit of Rs. 200 (rupees two-hundred only) in cash or Government promissory notes, as earnest money, and be superscribed "Tender for carting materials from Tumkur Railway Station to Water Supply Work Site," in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
